Moving Faith Communities to Take Action

PICO California
Unlocking the Power of People™

We are people of faith building a California where **everyone counts** and **everyone belongs**.

Why Faith Communities?

- Trusted messengers in times of uncertainty
- Deep relational organizing
- Unique, shared moral narrative & “meaning making”

10 WAYS YOU CAN HELP

- ❑ **Post Census info on social media, email newsletters, or other digital platform**

  What are ways only you can uniquely use to reach your members? Sample language available.

- ❑ **Send texts about Census using congregation/membership lists**

  We can help set you up with digital tools such as Outvote (peer-to-peer text) or Hustle (text banking through a contact list), or coordinate texting through your institution's existing internal structures (e.g. small groups, classes). Sample text scripts available.

- ❑ **Do phone calls using congregation/membership lists about Census**

  Create good old-fashioned phone trees or coordinate doing calls through your institution's existing internal structures. PICO can also help set up virtual phone banking through a contact list. Sample phone call scripts available.

- ❑ **Mail out or distribute your own reminders about Census**

  Coordinate a team to mail out postcards or handwritten letters. Include a reminder card with any food or supply distribution. Samples available.

LESSONS LEARNED:

1. Digital organizing is still organizing

2. Integrating Census into other areas of work is not only possible, but critical

APOYOS DE COMPORTAMIENTO – La colaborativa de escuelas católicas continúa ofreciendo reuniones de apoyo para el comportamiento de los padres con Butterfly Behavior Consulting. Estas reuniones se llevan a cabo en Zoom todas las semanas. Las sesiones son de 45 minutos cada una con 2 en inglés y 2 sesiones en español cada semana. Este apoyo es para ofrecer estrategias para cualquier problema de comportamiento, especialmente con la transición al aprendizaje en línea. Los enlaces están disponibles en ClassDojo.

VOLUNTARIOS NECESITADOS - Proyecto Pastoral está proporcionando alimentos a los miembros de la comunidad que lo necesitan. Necesitamos voluntarios para ayudar a entregar alimentos a los residentes ancianos, de alto riesgo o enfermos. Si usted o alguien que conoce le gustaría ser voluntario, ¡háganoslo saber!

AYUDA LA RECAUDACIÓN DE FONDOS DE MISIÓN DOLORES - ¡Nuestro equipo de desarrollo necesita su ayuda! Queremos mostrarles a nuestros generosos donantes cómo nuestros estudiantes continúan su aprendizaje y se mantienen conectados en este momento. Por favor envíe sus fotos o historias a sus maestros de aula.

CENSO 2020 - COVID-19 ha dejado en claro que nuestro sistema de salud necesita más recursos. ¿Busca una manera de ayudar? El #2020Census ayudará a decidir la financiación que recibe el Condado de Los Ángeles para los servicios de atención médica y de emergencia durante los próximos 10 años. ¡TOMAR ACCIÓN! https://my2020census.gov/ #WeCountLA
