<td>14. 3.2.1.13</td>
<td><strong>In response to the first Question and Answer set for the Regional RFP (#56, Sec. 3.2.1.13, page 10): We hope the state reconsiders its prohibition on subcontractors subcontracting ACBO funds. <td>No change to this requirement at this time. The State reserves the right to make amendments to the contract at a later date, if it’s deemed the best interest of the State.
