CALIFORNIA MENTAL HEALTH ADVOCACY RESOURCES | APRIL 30, 2019

MHSOAC MENTAL HEALTH STAKEHOLDER ADVOCACY CONTRACTORS

The Mental Health Services Oversight and Accountability Commission (MHSOAC) contracts with several organizations to conduct statewide mental health advocacy on behalf of specific stakeholder populations receiving services in California's Public Mental Health System. In addition to local and state-level advocacy activities, these agencies conduct statewide outreach, engagement, education, training, and research to support community participation and improve mental health outcomes for these stakeholder populations. Each of the agencies listed below are responsible for coordinating with local networks of advocates throughout the state.

National Alliance on Mental Illness (NAMI)

NAMI, the National Alliance on Mental Illness, is the nation’s largest grassroots mental health organization dedicated to building better lives for the millions of Americans affected by mental illness. What started as a small group of families gathered around a kitchen table in 1979 has blossomed into the nation's leading voice on mental health. Today, we are an association of more than 500 local affiliates who work in your community to raise awareness and provide support and education that was not previously available to those in need.
