Charitable Ventures is fiscal agent for $1.4M State contract and will distribute funding to sub-contractors.

Charitable Ventures will also deploy funds from the $1M private philanthropy pooled fund to support outreach not covered by State funds.

Goals:
- Support and resource OC nonprofits to achieve accurate count
- Adminstrate contracts
- Establish between 50-100 QAC/QAK locations
- Manage the point-in-time data management for the region through the State SwORD system
- Coordinate with State, Regional, County, City efforts
- Identify/distribute in-kind resources that can be deployed in OC
Our Outreach Framework is Guided...

By five primary objectives:
1. Targeted and intentional use of public funds to PUMAs with high numbers of HTC
2. Leverage philanthropy to expand the plan to smaller HTC populations
3. Leverage partnerships, associations and regional networks
4. Alignment with County, Regional and State efforts
5. Strategic and responsive communication to address potential miscommunications and threats to Census outreach
It’s estimated that ~25% of our 3 million residents are Hard-to-Count (HTC), representing 750,000-800,000 individuals.

The OC Census Community Table is a cross-sector hub for Census education and outreach, specifically for HTC populations.

*58% of veterans in OC are senior citizens, so an outreach strategy for seniors may also capture veterans.
An estimated 318,000 OC residents are LEP Spanish. The CBOs shown in the table are the first subcontractors identified to focus on the LEP Spanish community, along with their outreach targets. Subsequent funding rounds will dramatically expand the number of CBOs engaged in outreach.
Selected Tactics for Effective Outreach

- Education
- Using the “trusted messenger” model

**CENSO 2020:** Haga que los Centros de Salud Cuenten

Nueve de cada 10 millones en el año fiscal de 2020 en fondos federales fueron otorgados a los Censo de Salud. Los clientes de los centros de salud reciben miles de millones de dólares en beneficios para los próximos 10 años.

**¿Qué es el censo?**

La Constitución de los EE. UU. requiere que el gobierno federal realice un censo cada 10 años para obtener el dato. Los datos de todos los estadounidenses son necesarios para las estadísticas, los programas de salud y el bienestar. Cada hogar debe cumplimentar el formulario del censo, ya que participar en el censo es nuestro derecho y nuestra responsabilidad.

**¿Qué es lo que está en riesgo si no respondemos?**

Programas federales clave dependen de la información y asignaciones obtenidas en el censo, incluyendo:
- medicare
- salud de vivienda sección 8
- programa de seguro de salud para niños (CHIP)
- programa nutricional suplementario para mujeres, bebés y niños (WIC)

Estos son programas vitales para ayudar a nuestra salud y bienestar.

**Cómo invitar al Censo 2020 a su hogar?**

Cuando sea tiempo de responder, la mayoría de los hogares recibirán una invitación por correo. Primera vez, el cuestionario del censo se enviará en línea, por teléfono o en el formulario de papel. La asistencia en línea y por teléfono estará disponible en 13 idiomas.

**¿Cuándo podemos llenar el censo?**

Cada hogar recibirá una invitación inicial para responder al Censo 2020 la semana del 12 de marzo de 2020. Si no hay respuesta después de la invitación inicial, recibirán invitaciones adicionales por correo.

**¿Qué podemos esperar que nos llegue en el correo?**
