Overview

California has the top ten hardest to count counties in the United States, and school-aged children are oftentimes forgotten when their families complete the census questionnaire.

The purpose of the toolkit is to provide administrators and teachers with basic census information to help increase knowledge of the census and to encourage family of students to accurately complete the questionnaire.

California receives over $7 billion in vital federal aid for programs that support our schools. Some of these programs serve our hardest to count populations: Special Education, English Language Learner Support and Migrant Education.

Nationwide, the census count determines the distribution of over $675 billion for federal programs that shape our transportation systems, elderly care, hospitals and other community services.

This toolkit includes: a sample parent letter, social media posts, and talking points to engage your school community in Census 2020 participation.

Census Day is April 1, 2020. Individuals will have until July 30 to complete the census questionnaire form. Every Californian counts. Make sure California’s school-aged children are counted.
Overview

WHAT IS IN THIS TOOLKIT?
This toolkit is a collection of communication resources, such as tips, templates, examples and timelines, designed for K-12 administrators in schools to plan and activate a successful Census 2020 campaign. The tools can be used individually or combined creatively to engage students, parents, school officials and the surrounding community.

HOW TO USE THESE TOOLS
Each section includes a user-guide, a tool icon in orange and a description of the specific tool in a box on the top right corner of the page. It looks like this example below.

<table>
<thead>
<tr>
<th>Purpose</th>
<th>Suggested Tools and Tool Icon</th>
<th>When to use the tools</th>
</tr>
</thead>
<tbody>
<tr>
<td>Planning</td>
<td>Timeline tools, Messaging tools</td>
<td>When planning activities that schools may participate in. The timeline is month to month from October 2019 through April 2020.</td>
</tr>
<tr>

California’s schools have an important role in Census 2020 outreach. We are asking educators across the state to help us ensure every Californian is counted. An accurate count in the census assures we receive our fair share of federal funds that support programs like special education, before and after school, and school nutrition. California receives over $7 billion in federal aid to support our schools.

Best practices for education outreach involve parents, teachers, and administrators in census outreach. Census outreach efforts in schools would include programs like migrant education, adult education, and early childhood education. A key message that should be conveyed to parents is the census is safe, secure, and confidential. Please reassure parents their information is confidential and safe.

Schools are also encouraged to coordinate outreach efforts with community-based outreach efforts by inviting speakers from local Complete Count Committees, hosting joint informational forums, and staying connected with state-funded Census Complete Count Regional Program Managers.

This is a link to help support local coordinated efforts.

This toolkit is filled with information to support a robust outreach program in California’s schools. An accurate census count is vital to schools receiving their fair share of funding to support operations.

You are our trusted messengers. Your outreach efforts will help ensure every child is counted.

Thank you for your community’s support of Census 2020 outreach efforts.

Ditas Katague, Director
California Complete Count, Census 2020
### Census 2020 Timeline for Schools

Every ten years the U.S. Census Bureau counts every person in the U.S., and this will be the first census to rely heavily on online responses.

The census counts everyone living in the United States, regardless of immigration status.

The census does not ask about immigration status.

California schools receive over $7 billion in federal funding, which is impacted by a complete and accurate census count. Census numbers are used to allocate, monitor, and evaluate education programs.

Participating in the 2020 Census ensures that you and your communities have fair representation. The 2020 Census will determine the number of representatives California has in the U.S. House of Representatives and the number of votes we have in the Electoral College. Census data will also be used to redraw State Assembly and Senate boundaries.

The 2020 Census is safe and secure.

The Census Bureau cannot release any identifiable information about individuals, households, or businesses even to law enforcement agencies. (Title 13 of the U.S. Code)

Census information can only be released after 72 years. (Title 44 of the U.S. Code)

All U.S. Census Bureau staff take a lifetime oath to protect your personal information, and any violations come with a penalty of up to $250,000 and/or up to 5 years of prison.

A Census worker will never ask for donations or money, a full social security number, any type of funds on behalf of a political party, your mother’s maiden name, credit card numbers, or full bank account numbers.

Census workers have a Census Bureau I.D. badge with name, photo, Department of Commence watermark, and date of expiration.
Dear Parent/Guardian:

I am writing to share very important information about an event that will take place in Spring 2020: the U.S. Census. The census is a count of all people living in the U.S. and takes place every 10 years. It is simple and confidential to complete. For the first time, you can respond online. You will receive a unique identifying number in the mail, which will allow you to fill out the online form beginning in March 2020. It will ask questions about your household such as how many people reside in your home, date of birth, race, and sex. Here are some things you should know:

**Your identity remains anonymous.** Any personal information you provide on the census form is protected by law and cannot be shared with anyone or any other federal agency. Regardless of your immigration status, the information cannot be used against you or to invade the privacy of you or any members of your family.

**The Census is important.** The Census is important because it helps to decide how much federal money our schools will get over the next ten years, and how much money our state will get for our parks, neighborhood improvements, public health, transportation, and many other programs and services.

**The Census is safe.** All the data collected through the census is protected under Title 13 of the U.S. Code. Records are confidential for 72 years by law. All U.S. Census Bureau employees swear a lifetime oath to protect respondent information. The U.S. Census will never share a respondent’s personal information with other government agencies. Data is only released in summary tables; no individual records are released. The penalty for wrongful disclosure is up to 5 years imprisonment and/or a fine of $250,000.

**What do you need to do?** Complete the short and easy form online. If you don’t have a computer at home, you can use one at a library or at a location in your community clearly identified Census Questionnaire Assistance Center.

Your kids count, so make sure to count them when you fill out the census form in Spring 2020!

Sincerely,

XXXXXXXX, Principal
## Sample Scripts for TextMessaging

If your school uses the Remind App or any other text messaging tool to communicate with parents/students, use this tool to help craft text messages. Follow the Census Timeline and suggested Activities on Page 4.

| Sample Text 1 | Welcome back from Thanksgiving break. This is a reminder that the census will be taking place starting in March. You will receive a postcard detailing how you can safely and confidentially complete your form online or request a paper form. Remember to count everyone in your house, including young children. Learn more at [www.californiacensus.org](http://www.californiacensus.org). |
| Sample Text 2 | The census is coming in Spring 2020. Come out and support the activities to raise awareness about the importance of participating the census during Census Week [insert dates of Census week here]. There will be a rally on _____ & we will have Questionnaire Assistance Centers (QAC) open to complete the Census form (open time) am until (closing time) pm. Click here to find a QAC near you. [insert link to find a QAC] |
| Sample Text 3 | We hope you made it out to a Census Week event! Remember, our students are counting on you to be counted. You can complete the form online until April 30. Be counted! |
| Sample Text 4 | The deadline to complete the online Census form is April 30. Come by the school and complete your form between (open time) and (close time) at the Census Questionnaire Assistance Center, located at ______. See you soon! |
This tool will assist your school board with preparing a comprehensive resolution with essential Census 2020 information and its relevance to your school.

WHEREAS, the decennial census takes place every 10 years to count the residents of each state and help identify where to allocate over $675 billion in federal funds to states; and

WHEREAS, the 2020 Census will determine the number of representatives California has in the U.S. House of Representatives and the number of votes we have in the Electoral College. Your information will also be used to redraw State Assembly and Senate boundaries. Participating in the 2020 Census ensures that you and your communities have fair representation.

WHEREAS, an accurate census count is critical to the well-being of every community in determining where services are most needed, and to provide important federal and state funds for school districts; and

WHEREAS, it is vital for all local superintendents, principals, teachers and parent organizations to relay the importance of the census to families and community members to ensure everyone is counted, therefore maximizing political representation and funding appropriations within our school district and county; and

WHEREAS, (School District/County Office of Education) invites schools to dedicate a week during January 2020 through March 2020 as "Census in Schools Week," to help reinforce the importance of participation in the census; and

WHEREAS, (School District/County Office of Education) encourages all schools, especially Title I schools with large Title III populations, to coordinate with their Local Regional Program Managers on the best practices to implement outreach strategies that schools can incorporate to ensure they have the most complete and accurate count of their surrounding residents; and

WHEREAS, (School District/County Office of Education) supports the goals and ideals for the 2020 Census and will lend its support to the education community in being responsive to federal and state census liaisons;

NOW, THEREFORE, BE IT RESOLVED that (School District/County Office of Education) recognizes the long-term effects of an accurate and complete census count for garnering much-needed resources for our state; and

BE IT FURTHER RESOLVED that we stand with all students, families, school districts and County Offices of Education to be counted on the official Census Day of April 1, 2020.

#FAQFRIDAY
California’s committed to ensuring you avoid scams or fraudulent activity associated with the #2020Census. Here are some helpful tips:

(image description)
How to verify the identity of a Census Bureau worker: they must present a photo ID badge, with a Department of Commerce watermark & expiration date. They may be carrying a Census Bureau phone, laptop or bag with a Census Bureau logo. If you suspect fraud, call 800-923-8282 to speak with a local Census Bureau representative. #2020Census #CaliforniaForAll #BeCounted

PRESS RELEASE

STUDENTS AT {SCHOOL/SCHOOL DISTRICT} LEARN THE IMPORTANCE OF THE 2020 CENSUS

(District/County) announces a partnership with California Complete Count-Census 2020 Office and the use of California Census Schools-Based Outreach tool Count Me In, Students Count to help students Kindergarten through twelfth grade learn about the importance of census participation. Participating schools will use the occasion of the decennial census to encourage students to share information about participating in the census with their parents or guardians.

"We are excited to bring the program to (County, District) students," stated (NAME AND TITLE SUPERINTENDENT/PRINCIPAL). "Educators are vital to ensuring an accurate count, and therefore a successful 2020 Census. There are more than $675 billion allocated in federal funding and awarded based on census counts. These funds affect not only education, but where new businesses are developed, school locations, and housing for the elderly. California schools receive over $7 billion to support programs such as afterschool, school nutrition, and special education.

“California is determined to achieve a complete census count, where every Californian is counted. We’ve started early and are committing more resources than any other state to a robust outreach and engagement effort to reach all Californians,” said Ditas Katague, Director California Complete Count – Census 2020.

The state has worked with California’s teachers to develop curriculum made for and by California teachers. "The Count Me In program offers an easy way to share census information with kids and parents," said {INSERT TEACHER/ PRINCIPAL}.

"We are thrilled students at {INSERT SCHOOL/DISTRICT} are learning the importance of the census and playing an active role in their community."
Public Service Announcement

This tool is to help you draft a Public Service Announcement (PSA)-- a brief statement released free of charge by media outlets. This will help raise awareness about Census and help influence the public to complete their Census questionnaires.

Public Service Announcement Example
Census data are used to determine each state’s Congressional seats and to disburse more than $675 million in federal funds to local, state, and tribal governments each year. Census data supports decisions about which community services to provide. The 2020 Census is the first online census questionnaire. The census site is safe and confidential. The Census has 10 questions. Families, parents, and friends can complete the online Census Questionnaire from March 12, 2020, up until July 2020 by mail, by phone and online.

K-12 Schools Census Outreach Resources

CENSUS 101

What Kind of Questions Will Be Asked?

- Name
- Phone Number
- Age
- Sex
- Hispanic Origin
- Race
- Household Tenure (own/rent)
- Number of Persons in Household
- Does a person usually stay or live somewhere else?

Privacy and Protections

- All data are protected under Title 13 of the U.S. Code. Records are confidential for 72 years by law.
- The US Census Bureau will never share a respondent’s personal data with other government agencies.
- Data is only released in summary tables; no individual records are released.
- All Census Bureau employee swear a lifetime oath to protect respondent information. The penalty for wrongful disclosure is up to 5 years imprisonment and/or a fine of $250,00

Census Key Dates

March 12–20
- Postcard to reply online

March 16–24
- A reminder letter

March 26–April 3
- A reminder postcard

April 8–16
- A reminder paper letter questionnaire

April 20 – 27
- A final reminder postcard before an in-person follow-up

CaliforniaCensus.org
Use this tool to help educate parents about Census and to encourage their participation.

Census data is used to fund federal programs for schools. In California, over $7 billion in federal funding supports school programs such as: school nutrition, after school, special education, English Language Learners, Native American students, farm workers, youth experiencing homelessness, and Head Start programs.

____________________school district receives __________dollars in FY 2019-2020 Title I Part A Federal funds alone!
https://www.cde.ca.gov/fg/fo/r14/title1pa19result.asp

Your participation matters. Counting all children, even those in preschool, is essential for California’s schools to receive their fair amount of funding.

The Census is Safe
Under Title 13 of the U.S. Code, the Census Bureau cannot release any identifiable information about individuals, households, or businesses even to law enforcement agencies.

Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics- these cannot be used against you!

All U.S. Census bureau staff take a lifetime oath to protect your personal information and any violation comes with a penalty of up to 5 years in prison and/or a $250,000 fine. This is the law.
