Jim Miller serves as Operations Project Manager at the California Complete Count – Census 2020 Office. Miller leads the unit that develops and maintains the Statewide Outreach and Rapid Deployment (SWORD) mapping portal as well as public-facing interactive maps, provides census data analysis and technical assistance to internal and external partners, and oversees department information security].

Miller was the Data and Mapping Manager data and general information systems mapping manager at the state census office from 2018 to 2019. He worked in the California Department of Finance Demographic Research Unit from 2017 to 2018. Previously, Miller spent a quarter-century as a reporter at newspapers in census regions 1, 3, 4, 5, and 7.

Miller enjoys riding bikes and playing banjo.

About the Census:

California has launched a statewide effort to ensure an accurate and complete count of its residents in the 2020 census. This is unprecedented investment in a statewide education campaign. To reach more than 11 million of the hardest-to-count Californians, the Census Office has tapped local and tribal governments, community-based organizations, and so many more partners to serve as trusted messengers in our communities.

Key Dates:

Mid-March – April 2020 = Self Response Period – Fill out your form online!

May – July 2020 = Non-Response Follow-Up – Enumerators will knock on your door!
