

Document 4

Source: PriceWaterhouseCoopers, "EFFECT OF CENSUS 2000 UNDERCOUNT ON FEDERAL FUNDING TO STATES AND SELECTED COUNTIES, 2002-2012 (Pg 124) U.S. Census Monitoring Board

*The eight Federal Funding Programs are Medicaid, Foster Care, Rehabilitation Services, Child Care and Development, Substance Abuse, Vocational Education, Adoption Assistance, and Social Services.

Document 4 Questions:

- How much money did California lose from an undercount result in the 2000 U.S. census? How might Asian and Latino immigrants have benefitted from the money lost?
- Why is it important (then and now) for immigrants to make themselves counted on the U.S. Census?
